CAPWIC is a Celebration of Women in Computing that provides a low-cost, regionally tailored, small conference for women in computing. The participants will be female students, faculty, and professionals, as well as male supporters of women in computing.

The event provides a venue for future computing professionals to gain confidence in their skills, network with each other, and learn from accomplished technical women. The event includes distinguished speakers, panels on academia and industry, student and faculty presentations, a student research poster contest, and a career fair for students in computing fields.
